

Energy Assessment Program

Call 1-212-460-2011 to schedule your energy assessment today!

What a Con Ed Steam Energy Assessment is:

- **Free**, one time energy assessment
- Comparable to a Type I energy audit
- Intended to identify areas of possible energy savings
- Opportunity to discuss questions and concerns regarding all aspects of your steam service

What a Con Ed Steam Energy Assessment is not:

- Financial analysis of any proposed recommendations
- Engineering inspection or evaluation of your existing systems
- Replacement of consulting engineering services
