

We invite you to join our LinkedIn group [Con Edison Steam Services](#).

You will be able to learn how to incorporate the many benefits of steam into your designs to help you better serve your clients, including:

- LEED points
- increased property value
- added space for amenities
- reliability
- healthier buildings
- and much more

You will also be able to keep up-to-date on steam-related codes and learn about incentives and upcoming events.

Group members include property owners, developers, consultants, and others interested in learning more about steam, its uses, benefits, and related topics.

If you have questions, call us at **1-212-460-2011**.

We hope you'll join us and look forward to hearing from you.

Sincerely,

Steam Operations
